

**Social Band, Burlington's lively band of singers,  
invites you to celebrate with us as we present our  
Homecoming Concert and CD Release Party  
for our Vermont Composers Project!**

**Saturday, November 12, 2005  
7:00 p.m.  
Unitarian Church, Burlington**

We've sung out across all corners of Vermont through the summer and fall with new pieces commissioned from 25 very diverse and talented Vermont composers. We've had enthusiastic audiences from Irasburg and Hardwick to Lincoln to Tunbridge and Brattleboro.

Now we're bringing it all back home in a program in which for the first (and only) time we will sing ALL of the songs. Many of the composers will be present to celebrate with us. And our brand new Vermont Composers Project CD will be hot off the press!

**Tickets: \$12 suggested donation**

**Available in advance from the Flynn Regional Box Office
